

# Gina Gardiner

## Get the winning formula for success, happiness & fulfilment!

**Gina Gardiner is a multiple No. 1 International Best Selling author, Motivational Speaker, Profits Enhancer for Enlightened Leaders and Empowerment Coach.** Gina is passionate about supporting forward thinking leaders to achieve sustained success and profitability based on integrity, compassion and courage. An approach which is vital as we move into the new era of consciousness. She is the creator of The Enlightened Leadership accredited, holistic personal and professional Leadership Programme which draws on her 30 years + experience in transformational leadership and helping individuals, teams and organisations thrive. She is passionate about helping her clients to achieve their full potential, to step into their power and be genuinely, authentically their 'best self' personally and professionally.

Gina learned to walk twice as an adult. For over 20 years, (until 2004) she ran her award-winning school, for the most part from a wheelchair. The gift of this experience was the development of a unique approach to life and developing Profitable Enlightened Leadership. Leadership For Life!

## An Inspirational & Engaging Speaker, #1 best-selling author and coach

Gina is an inspirational speaker using her significant experience and expertise in an engaging and accessible style that not only educates but motivates and equips the audience to deal with the challenging issues life and business brings. Shining a light on new ways of thinking and being her talks help the audience gain insights into how they can overcome limiting beliefs, overcome obstacles and fears and move forward successfully both personally and professionally. Gina's approach is holistic and draws upon her own inspirational experience and that of her clients.

### Kind Words & Praise

"Gina is incredibly warm, open, supportive, and empathic, and when I work with her, I feel incredibly seen and incredibly heard."

- Bronwyn Nash

"I would recommend Gina to anybody and everybody – I really don't know how I've coped without her for all those years."

- Sally Cutmore

"Gina is an amazingly positive person to work with. I have worked with her in both my professional and personal life. She has helped me bring my confidence back."

- Jolly Datt

With the new way of showing up as an Enlightened Leader comes the opportunity to leverage greater and greater levels of

You are the arbiter of the quality of your life, Be aware every word you speak and every action you take, or not, the way you say or do it and when leaves a living legacy for you and others
